

MUTOH

Industry's boldest and truest colors
thanks to our *i*² band-free technology!

ValueJet 1614-64" "The Wrappers Choice!"

"The ValueJet 1614 prints exactly what we expect, with the added bonus of a friendly environment due to Mutoh's Eco-Solvent inks. The one thing we can always rely on with various phases of a wrap job is our Mutoh 1614 printer. No banding, smooth gradients and great color!"

Mike Ucker, Owner - Lizard Skinz

"The ValueJet 1614 runs extremely well! The quality and output is noticeably vibrant."

Joshua Daley, Owner - Daley Visual

"Wraps are the main focus of my business. I have jobs lined up consecutively because people recognize the excellence of a Mutoh ValueJet print production,"

Chris Garcia, Owner/President - Capital Signs

"Carwraps feels that our Mutoh printers are the most reliable printers in the vehicle wraps industry, allowing us to print unattended, with no problems and great quality."

Todd LaBrie, CEO/Founder - Carwraps, Inc.
