

AFFORDABLE OUTDOOR

Outdoor Falcon

*Affordable
Easy-to-use
Environmentally Friendly
Complete Outdoor Solution*

**OVER THE TOP PERFORMANCE.
GROUND BREAKING PRICE.**

Falcon Outdoor, large format color inkjet printers combine over the top performance with ground breaking price.

Built on Mutoh's proven Falcon platform, and using Mutoh America's Eco-Solvent Plus outdoor inks, the Falcon Outdoor produces brilliant images that will last up to three years outdoors, without lamination. With the recent addition of the Junior to the Falcon Outdoor family of printers, Mutoh now offers the lowest priced solvent printer on the market!

With resolution settings from 360 dpi, to 1440 dpi, and maximum media widths of 36-, 48- and 62-inches, the Falcon Outdoor family provides for a wide range of output on a variety of uncoated media without the need for ventilation. With your complete printing solution in mind, every Falcon Outdoor printer includes a starter set of ink, Mutoh's full-featured ISIS Print Manager and the Mutoh Edition PhotoPRINT SE Software.

Reaching new heights for performance, all of the Falcon Outdoor printers utilize Mutoh's renowned motion control and media handling technologies, including an automatic media take-up system (optional on Junior) for unattended printing and individually controlled pre- and post-heaters for faster drying and wider media compatibility.

All Falcon Outdoor printers are assembled at Mutoh's ISO9000-certified facility by the world's leading manufacturer of piezoelectric, large format printers, ensuring a printing system that passes the performance test with flying colors.
